Repair Station FAA Roster					
Name and Signature	Title	Insp/Return to Service Stamp	Certificate Number	Prelim Insp/ In-Line Insp	Final Insp/ Return to Service

The following cell designations indicate that an employee has received approval for the entire product line of the cell:

CP - Commercial Power Repair Cell

FFT - Fuel Flow Transmitters Repair Cell

ISS - Indication and Sensing Systems Repair Cell

MP - Military Power Repair Cell

SEN – Sensors Repair Cell

"See OJT Matrix" indicates that an employee has only received approval for the part numbers recorded in their OJT training records.
